Timothy H. Dickens, Ph.D.
Authorized Agent for Associated Registrations, Inc.
Scientific Coordination, Inc.
4629 Cherry Valley Drive
Rockville, MD 20853

Subject: Label Amendment – Add a duration claim and additional pests
Product Name: INSECT GUARD 3023 INSECT REPELLENT
EPA Registration Number: 54287-22
Application Date: March 27, 2015
Decision Number: 503263

Dear Dr. Dickens:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

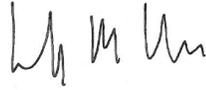

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

ACCEPTED
8/7/2015
Under the Federal Insecticide, Fungicide
and Rodenticide Act as amended, for the
pesticide registered under
EPA Reg. No. 54287-22

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Repels listed mosquitoes and ticks for up to eight [twelve] [12] hours. Hold 4 to 6 inches away from skin while spraying, keeping nozzle pointed away from face. Use just enough repellent to cover exposed skin. Avoid over-application of this product. Do not apply to the hands of small children. Do not use under clothing. Do not spray directly on face. Apply on face by first spraying small amounts in palms of hands and spreading on face and neck. Do not apply near eyes or mouth. Apply sparingly around ears. Frequent reapplication and saturation is unnecessary for effectiveness. Avoid contact with lips, cuts, wounds, or irritated skin. Do not apply to excessively sunburned skin. Reapply every 8 [12] hours. Do not exceed two applications per day.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place inaccessible to children. **Disposal:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco.

PHYSICAL HAZARDS

Combustible. Do not use or store near heat or open flame.
